(Event coordinators)

The **HOT WHEELS** is conducted on feb 18th 2017 as a **general event** in Viswajyothi college of engineering and technology. The event is coordinated by the **MECHANICAL ENGINEERING DEPARTMENT, VJCET** with the effective support of all the departments in the college. Maintaining the safety and integrity for the event is the responsibility of whole VJCETians along with the participant. We hope that whole students show there responsibility and discipline for the effective coordination of the event.

Ebin Eldhose, Albin Johnson
